

Texas DIR Cooperative Contract

Contract Number: DIR-CPO-4873

Texas Department of Information Resources

The Texas Department of Information Resources (DIR) Cooperative Contracts Program provides state agencies, local governments, and other public sector organizations with access to pre-negotiated, competitively awarded technology contracts. The DIR Cooperative Contracts program streamlines purchasing for a wide range of public sector organizations, including state agencies, K-12 schools, higher education institutions, counties, cities, and special districts across Texas. InNet is honored to be the prime for the following DIR-CPO-4873 contact.
